 - Step 3:** "Hey Gorgeous! Here are few Recommendations for you. [Female Dresses](https://Amazon.in)". A "Action complete" status is shown.

Right Panel (Customer starts with):

It includes instructions: "Enter phrases that a customer types or says to start the conversation about a specific topic. These phrases determine the task, problem, or question your customer has." and "The more phrases you enter, the better your assistant can recognize what the customer wants."
